Activity 7: Personal Website - Progress Report

Continue working on your personal website to include and apply the lectures from information architecture and information design.

In a document, submit your typography selections and color palette that you will be using in your personal website.

Update your to include global navigations as mentioned in #3.

1. Typography
2. Color Palette
3. Global Navigation for Personal Website (Home, Activities, Reflections, Learnings, Guide Questions)
4. Updated Home Screen Design using 1&2

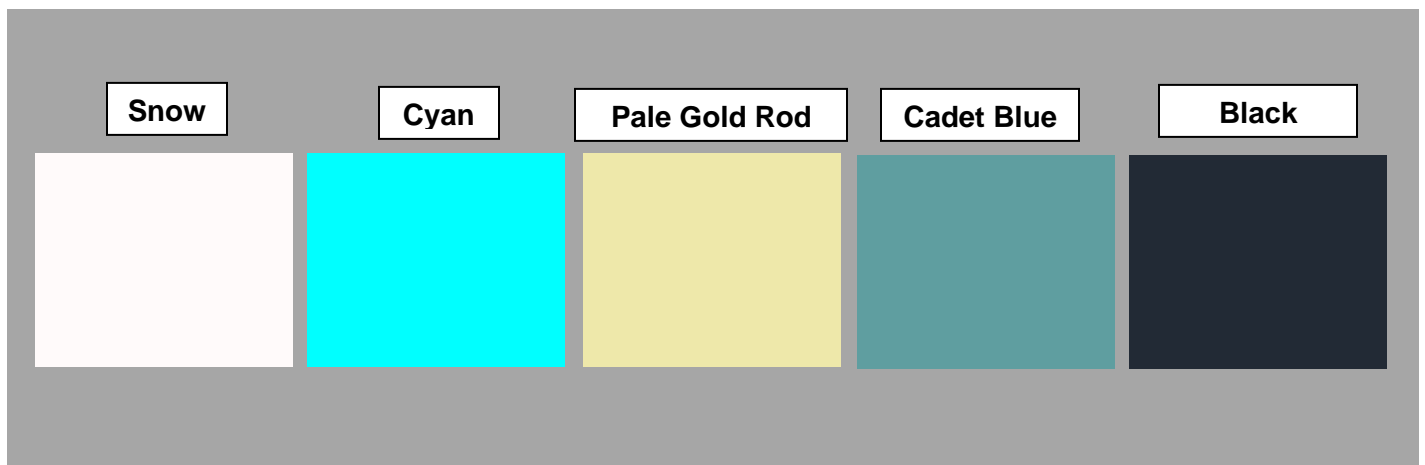

TYPOGRAPHY

Heading – Helvetica

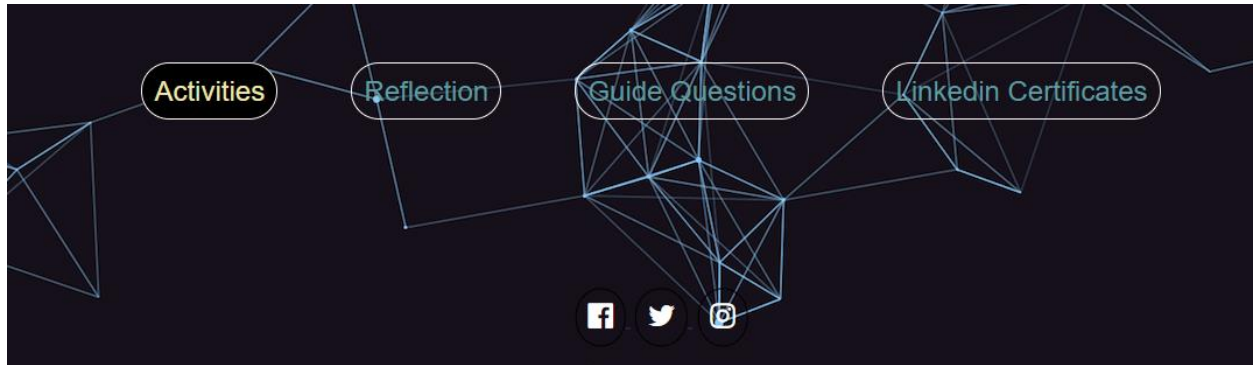

Name & Section – Trebuchet MS

Navigations – Helvetica

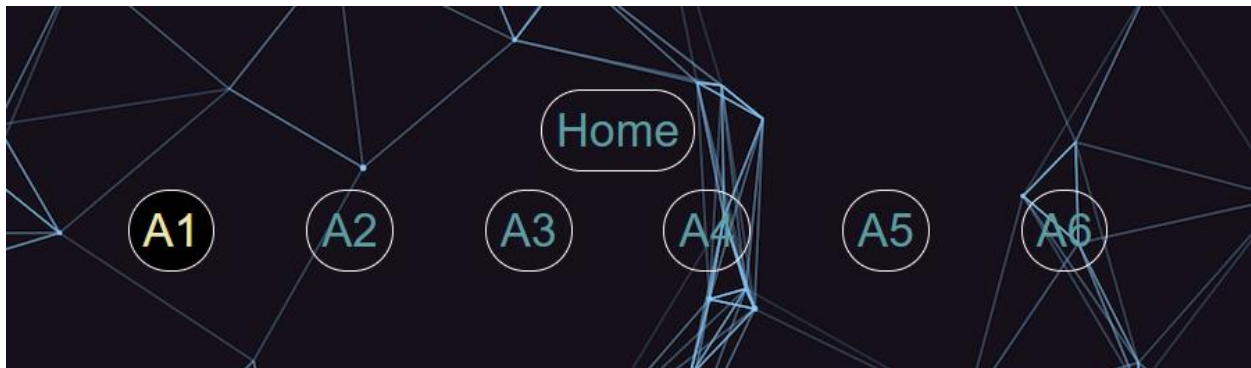

COLOR PALETTE

GLOBAL NAVIGATION

(same format for each section)

It turns into pale gold rod when hovered and the social media buttons turn into cyan.

HOME SCREEN
